(iii) "Annual Income" as defined at 24 CFR 5.609 (except that when determining the income of a homeowner for an owner-occupied rehabilitation project, the value of the homeowner's principal residence may be excluded from the calculation of net family assets).

(3) Although any of the above three definitions of "annual income" are permitted, in order to calculate adjusted income, exclusions from income set forth at 24 CFR 5.611 shall be applied.

(4) The CDFI Fund reserves the right to deem certain government programs, under which a Low-Income family is a recipient, as income eligible for purposes of meeting the tenant income requirements under this subsection.

(g) *Over-income tenants.* (1) CMF-funded units continue to qualify as Affordable Housing despite a temporary non-compliance caused by increases in the incomes of existing tenants if actions satisfactory to the CDFI Fund are being taken to ensure that all vacancies are filled in accordance with this

section until the noncompliance is corrected.

(2) Tenants whose incomes no longer qualify must pay rent no greater than the lesser of the amount payable by the tenant under State or local law or 30 percent of the family's annual income, except that tenants of units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986, I.R.C. section 42, must pay rent governed by section 42. Tenants who no longer qualify as Eligible-Income are not required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood.

(3) If the income of a tenant of a CMF-funded unit no longer qualifies, the Awardee may designate another unit, in the CMF-funded project, as a replacement unit that meets the affordability qualifications for Eligible-Income, Low-Income, Very Low-Income, or Extremely Low-Income Families and as set forth in the Awardee's Assistance Agreement. If there is not an available replacement unit, the Awardee must fill the first available vacancy with a tenant that meets the affordability qualifications for Eligible-Income, Low-Income, Very Low-Income, or Extremely Low-Income Families as necessary to maintain compliance with the CMF requirements and the Assistance Agreement.

**§ 1807.402 Affordable housing—homeownership.**

(a) *Acquisition with or without rehabilitation.* Housing that is for Homeownership purchase must meet the affordability requirements of this subsection.

(4) *Periods of Affordability.* Housing under this subsection must meet the

affordability requirements for at least 10 years at the time of purchase by the homeowner.

(5) *Resale.* To ensure that CMF awards are being used for qualifying families for the entire 10-year affordability period, recoupment and redeployment or resale strategies must be imposed by the Awardee. A recoupment strategy must ensure that, in the event the qualifying homeowner sells the housing before the end of the 10-year affordability period and the new homeowner does not meet the affordability qualifications set forth in § 1807.400, the portion of the CMF award used to finance the Affordable Housing Activity is recouped and redeployed to a qualifying family for affordable housing homeownership in the manner set forth in § 1807.402, except that the housing must meet the affordability requirements only for the remaining affordability period. The Awardee may design and implement its own recoupment strategy. Deed restrictions, covenants running with the land, or other similar mechanisms may be used as the mechanism to impose the resale strategy. The Awardee shall report to the CDFI Fund the event of resale, recoupment and redeployment of the CMF award in the manner described in the Assistance Agreement. The affordability restrictions may terminate upon occurrence of any of the following termination events: Foreclosure, transfer in lieu of foreclosure or assignment of an FHA-insured mortgage to HUD. The Awardee may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the termination event, obtains an ownership interest in the housing.

(b) *Rehabilitation not involving acquisition.* Housing that is currently owned by a qualifying family, as set forth in § 1807.400, qualifies as Affordable Housing if it meets the requirements of this subsection.

(1) The estimated value of the housing, after Rehabilitation, does not exceed 95 percent of the median purchase

The Homeownership units are subject to a minimum period of affordability equal to the remaining affordability period.

Thus, an Awardee shall demonstrate that it leveraged, over its CMF funded portfolio, its CMF award at least 10 times the CMF grant amount or some other standard established by the CDFI Fund in the Awardee’s Assistance Agreement.
